Obrigado, Clemilda.

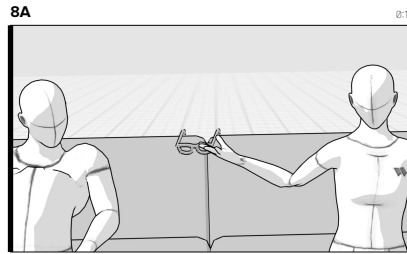

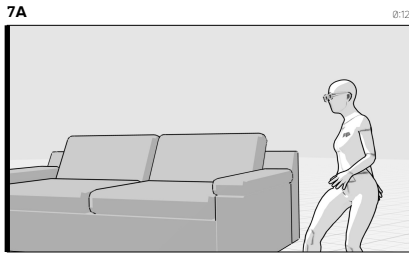

Fica assim não, Doutor. Tudo vai dar certo.

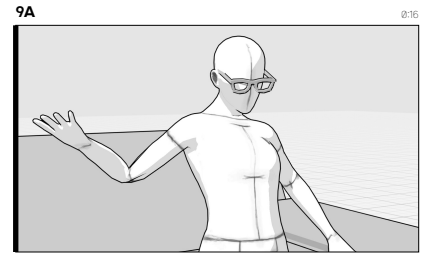

Clemilda nota o semblante de preocupação de I.

Obrigado, Clemilda.

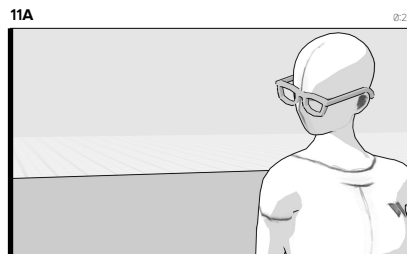

What's up, pal?

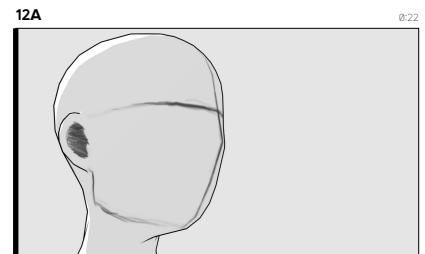

Hi, Mister Yetzer Hara.

You, worried?

It's just work.

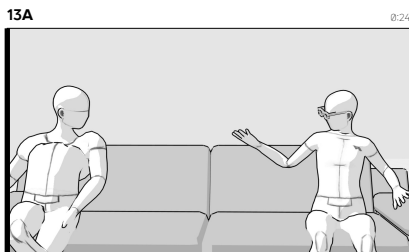

No, it's not. It's your self-esteem that is on the line.

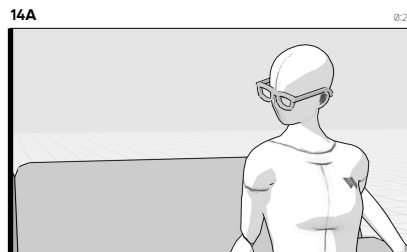

I
You know about that, right?

YH

Obviously. If you want to sell your script, you have to do more than just writing.

I
Like what?
YH
You have to seduce the producer.

I'm not really good at this kind of thing.

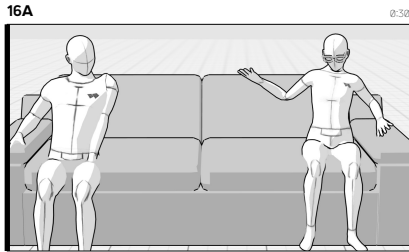

That's why I'm here. Look, first, buy some clothes. These polo T-shirts you wear are simple too plain. Second, do some push-ups, OK? How many I haven't decided yet. You look like you're going to fall from the sofa.

OK, and then I'll call her at her office.... Ten minutes ago.

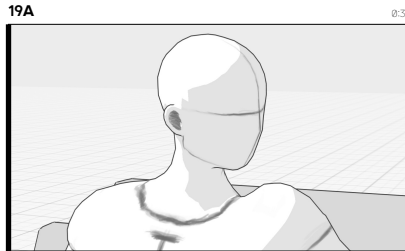

Cafezinho, Doutor?

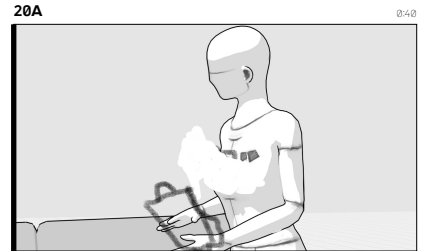

Can I give you a piece of advice?

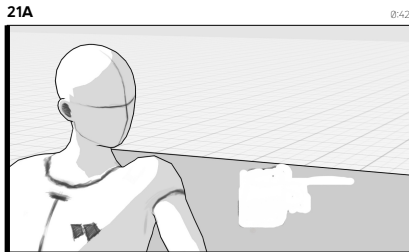

Desculpe, Doutor, não entendo nada do que o senhor diz.

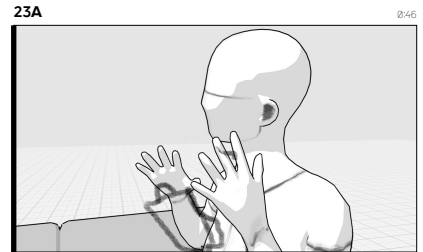

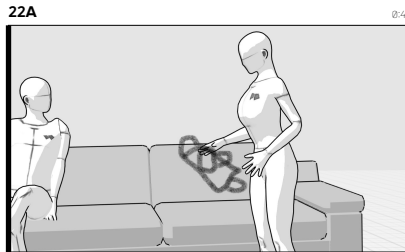

All right. Here's the deal. I'm going to count to three. And then I'm going to clap my hands. After that, you're going to understand everything I say, all right?

Desculpe, Doutor. O café não está bom?

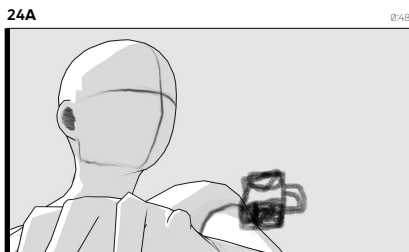

Now, my piece of advice. You want to conquer the love of your life. But the way you look right now, really... And don't worry. She's a lesbian too.

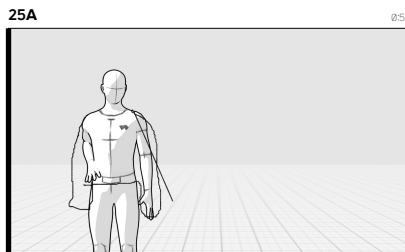

Hey, como o Doutor sabe? Meu Deus, entendi tudo o que o senhor disse!

YH
You have to make an effort.
CLEMILDA
Esforço? Que esforço?

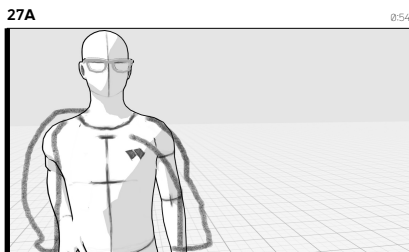

Y.H smiles.

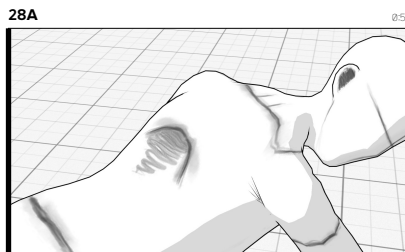

I chega vestindo um terno esportivo.

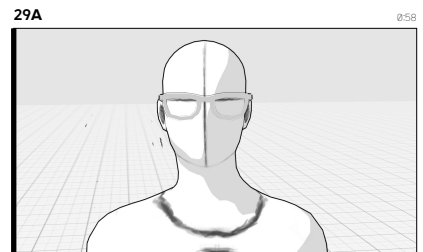

Clemilda está fazendo flexões na sala.

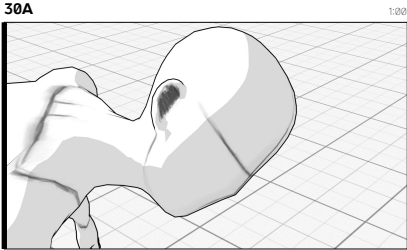

O que é isso, Clemilda? Fazendo flexões na sala?

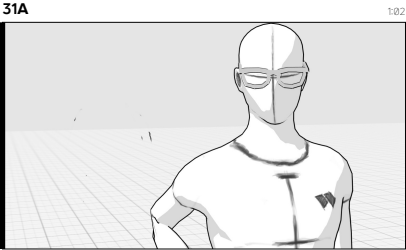

O Doutor disse que tenho de fazer 50 flexões por dia se quiser arranjar uma nova namorada.

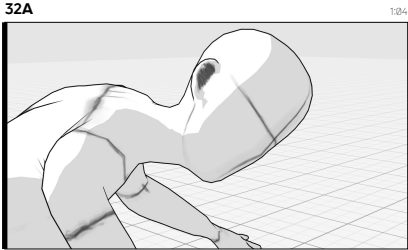

O quê? Ele disse isso?

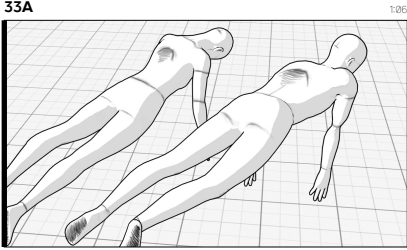

Sim. E mandou lhe dizer que se o senhor
quiser vender seu roteiro pra moça da
produtora, tem que fazer 120 flexões por dia.

Cento e vinte por dia! Por que tenho de fazer
mais do que você?

Porque seu caso é mais grave. Envolve
sedução de quem não te quer.

Oh céus, Oh vida.

Clemilda e I fazem flexões juntos na sala.
